STORIES AROUND THE FIRE

A Virtual Gathering

CENTER OF HOPE

Sponsored by:

# Welcome

## Dear friend,

Thank you for joining us for “20 Years of Miracles: Stories around the Fire.” What a joy it was to gather around the campfire with my friends Jim and Debbie Barber, Tony Antonio, Kimberly Gavaletz and Tom Dean as we looked back over the years of all that God has done at Center of Hope. We hope you enjoy the stories of God’s faithfulness and transformed lives as much as we did!

This viewers guide will give you a further glimpse into Center of Hope plus an opportunity to share hope with families this Christmas season. Be sure to also enjoy the hot chocolate recipe included!

## Thank you for joining us!

# RESTORING HOPE, CHANGING LIVES

Center of Hope provides help to those who are hungry, homeless, under educated, unemployed, working but living at or near the poverty level, single parents, disabled, disadvantaged youth and children and families in crisis.

Through more than 20 years of service, Center of Hope has learned that while addressing the material aspects of poverty is important, true rehabilitation and restoration are only achieved through long-term solutions. We focus our work on an integrated service model that addresses the holistic needs of individuals and leads them to a path of economic independence and improved quality of life.

## WE BELIEVE

- Everyone has value - regardless...
- Relationships are essential to discover the root of the problem
- Effective assistance requires accountability
- Long-term solutions require personal investment
- Success is achieved through addressing physical, educational and spiritual needs

The Hope Chest upscale resale shop was added in June 2014 as a means by which 6-month internships would be offered to individuals who had participated in the Jobs for Life program for job training purposes.

A group of six people are sitting around a round table outdoors at night. A campfire is burning in the center of the table, providing light. The scene is illuminated by a string of warm white lights hanging from above. The people are engaged in conversation and eating. One person in the foreground is seated in a wheelchair. The background shows a dark landscape with trees and a body of water.
